

CURRICULUM VITAE

Name: Mr Kim Hinshaw MB BS FRCOG

PRESENT & RECENT APPOINTMENTS:

Consultant Obstetrician & Gynaecologist, South Tyneside & Sunderland NHS Foundation Trust (1994-present)
Director of Research & Innovation (2010-Sept 2020)
Associate Medical Director (Research & Innovation)- (2016-Sept 2020)
Departmental Research Lead (Obstetrics & Gynaecology) - (2009-present)

Address: Department of Obstetrics & Gynaecology, Sunderland Royal Hospital, Kayll Road, Sunderland SR4 7TP

Honorary Visiting Professor
Faculty of Health Sciences and Wellbeing
University of Sunderland

QUALIFICATIONS:

Qualifications: MBBS (University of Newcastle upon Tyne; 1982) FRCOG (1998)

MEMBERSHIP OF SPECIALIST SOCIETIES OR ASSOCIATIONS/COMMITTEE MEMBERSHIP & CHAIRMANSHIP:

Clinical/Training interests

High risk pregnancy / Fetal medicine
Intrapartum obstetrics (complex)
Preterm labour - offer regional referral service for transabdominal cervico-isthmic cerclage
Proctor/Supervisor for TAC procedure
Preceptor for RCOG Labour Ward ATSMs
Obstetric skills/drills training
Human Factors training

Research commitments

NIHR NETSCC Research Submissions - Invited reviewer

Trial Steering Committees:

- i) TSC - NIHR HS&DR Project 14/70/73 - Interactional practices of decision-making during childbirth in maternity units. York. (2017-20)
- ii) Can Promoting Awareness Fetal movements and Focussing Interventions Reduce Fetal Mortality (AFFIRM) - a stepped wedge cluster randomised trial? University of Edinburgh. Funded: Chief Scientist Office, Scot Gov. (2013-17)
- iii) Chair TSC - SOLVE (Dilipan for Induction of Labour). (2020-21)
- iv) Member TSC - OptiBreech Care Trial - Physiological Vaginal Breech Delivery. Dr Shawn Walker (2021-).
- v) Independent Member TSC - FERN: Intervention or Expectant Management for Early Onset Selective Fetal Growth Restriction in Monochorionic Twin Pregnancy) Prof A Khalil (2021-)

Previous positions

Clinical Strategic Research Theme Lead - NIHR CRN Executive Committee, Northeast & N Cumbria Clinical Research Network (April 2014 - Sept 2020); QI Clinical Lead (2016-Sept 2020)

Trust Representative, NIHR NE & N Cumbria CRN Partnership Group (2016-Sept 2020)

Executive Lead (Specialty Groups & Networking), Northumberland, Tyne & Wear, CLRN (2012-14)

NIHR Early Pregnancy CSG (2011-16)

NIHR Fetal Medicine CSG (2011-16)

NIHR Intrapartum Clinical Studies Group member (2011-15)

Member - Trial Steering Committees:

- i) OBS2 Trial Steering Committee (2014-16): Fibrinogen concentrate to treat postpartum haemorrhage - OBS2 Study. University of Cardiff.
- ii) UK Pregnancy Better Eating and Activity Trial (UPBEAT). St Thomas', London. UK National Institute for Health Research (NIHR) Programme grant (2013-15)
- iii) Chair TSC - SOLVE Dilipan RCT. Birmingham, UK (2020-present)
- iv) Member TSC - Optibreech 1 (2020-present)
- v) Member TSC - FERN (selective FGR management in MC twins)

Training commitments

British Maternal & Fetal Medicine Society (BMFMS), Education Lead, Executive Committee (2014-present)

Course Development Lead & Course Director - RCOG 2-day Clinical Leadership course (2016-present)
Faculty Chair for BIRTH2 maternity training programme, Baby Lifeline National Charity (2014-)

- Finalist - RCM Annual Midwifery Awards 2016 - Best Charity Initiative Award - 'Reducing Avoidable Harm to Mother & Baby'. London, 8 March 2016
- Finalist - HSJ Annual Awards 2015 - 'Improving Outcomes through Learning & Development'. London, November 2015

Member & immediate past-Chair, Pre-hospital Obstetric Emergency Training (POET UK) Working Group (2012-present)

Member RCOG Faculty of Medical Educators (tier IV) - (2015-)

Co-Chair, JRCALC National Ambulance Obstetric guidance review group (2016-18)

RCOG Education Facility Design Group (invited member) (2016-18)

Past Vice Chair, Managing Obstetric Emergencies and Training (MOET) UK Working Group, (2000-18)

Member HEE NE Faculty of Patient Safety, Executive committee (2015-17)

Invited Member - RCOG Working Group - 'Delivering safe patient care' (2015-16)

RCOG representative, Academy of Royal Medical Colleges - Task & Finish Group: QI in the curriculum' (2014-16)

Past-Chair, RCOG National Specialty Education Advisory Committee (2007-10)

Past-Chair, RCOG National Curriculum Committee (2010-14)

RCOG Lead for National Harmonised Recruitment (2007-15)

Past Chair, Advanced Life Support in Obstetrics (ALSO) UK

Professional

RCOG Curriculum Review group (2021-)

RCOG representative - St John Ambulance, External Expert Panel (2019-20==present)

RCOG representative - Joint Royal Colleges Ambulance Liaison Committee (JRCALC) - (2015- present)

Visiting Professor, University of Sunderland - nominated by Hospital Trust Board (November 2014-present)

Chair, UKOSS National Steering Committee (2016-present), Member (2011-16)

Medical Advisor, Baby Lifeline Charity (2005 - present)

Medical Advisor (Obstetrics & Gynaecology), Swinfen Telemedicine Charitable Trust (2005 - present)

President, North of England Obstetrical & Gynaecological Society (2017-18)

RCOG Clinical Lead - Cheshire & Merseyside Partnership Vanguard Evaluation Advisory Group (2017-18)

Invited Member - OAA/NPEU Collaborative Quality and Outcomes Working Group (2017-18)

Invited Member - RCOG HEALTH award - OASI Care Bundle - Clinical Advisory Group (2016-18)

Invited Member - Health Improvement Scotland - Review Team for Ayrshire Maternity Unit, University Hospital Crosshouse, NHS Ayrshire & Arran (Adverse Events) - (2016-17)

Invited Member - James Lind Alliance: Miscarriage 'Priority Setting Partnerships' Steering Group (2015-17)

North East & N Cumbria AHSN - Telehealth Implementation Working Group (2015)

NHS England Messaging Enabled Care Services (MECS) - Clinical Telehealth Advocate - national winner 2014

Member UK Reference Group for Simple Telehealth (Telemessaging) 2014

Ministry of Defence, National Civilian Consultant Advisor to the British Army - Obstetrics & Gynaecology (2009-18)

RCOG representative, UK Joint Royal Colleges Ambulance Liaison Committee (JRCALC) (2014-present)

Honorary Life Member, Obstetric Anaesthetists' Association (26 March 2010)

RCOG National Specialty Lead, UK Harmonised Recruitment for Obstetrics & Gynaecology (2007-14)

Past-member Executive Committee, Association of Early Pregnancy Units [AEPU] (2007-13)

Membership of Specialist Societies: AEPU, BMFMS, OAA

Charity Trustee

Grace House North East - Member Trustee Board (2016-) Website: www.gracehouse.co.uk/

Advanced Life Support Group (ALSG) - Member Trustee Board (2004 - present) Website: www.alsg.org

Advanced Life Support in Obstetrics (ALSO) UK - Member Trustee Board (2007-15)

Other Trust positions

Associate Medical Director (Research & Innovation) (2016-2020)

Chair: Research Management & Governance Group (2010-2020)

Member ST&S Research & Innovation Executive

Member CHS Commercial forum (2015-2020)

Member CHS Ethics group (2014-2020)

Member CHS Sunderland Care Academy Steering Group (2014-2020)

Member University of Sunderland - CHS Partnership Group (2012-2020)

RESEARCH & INNOVATION EXPERIENCE:

Research grants

2020 - Co-applicant: (Lead Associate Professor Dimitrios Siassakos, London)

NIHR HTA Programme - ROTATE - NIHR127818 - Rotation of the fetal head at full cervical dilatation (£2 200 000)

2018 - Co-applicant: (Lead Professor Sara Kenyon, Birmingham)
NIHR HTA Programme - iHOLDS - Induction of labour with standard vs high dose oxytocin.

2016 - Co-applicant: (Lead Professor Andrew Weeks, Liverpool)
NIHR HTA Programme - Commissioned call - Carboprost vs oxytocin as the first line treatment of primary postpartum haemorrhage (reference number 16/16/06)
COPE: The Carboprost or Oxytocin Postpartum haemorrhage Effectiveness study (£1 800 000)

2016 - Co-applicant: (Lead: Professor Arri Coomarasamy, Birmingham)
NIHR HTA Programme (reference number 15/160/02)
A randomised trial of mifepristone and misoprostol versus misoprostol alone in the medical management of missed miscarriage: The MIFEMISO trial University of Birmingham - recruiting (£1 740 000)

2014 - Co-applicant (Lead: Professor Marian Knight, UKOSS, NPEU, Oxford)
NIHR HTA Programme (reference number 13/96/07)
Prophylactic ANTibiotics for the prevention of infection following Operative Delivery (ANODE) - £1 306 203 - ongoing

2014 - Co-applicant : (Lead: Professor Arri Coomarasamy, Birmingham)
NIHR HTA Programme (reference number 12/167/26)
Effectiveness of progesterone to prevent miscarriage in women with early pregnancy bleeding: a randomised placebo-controlled trial (PRISM Trial: PRogesterone In Spontaneous Miscarriage Trial) - £1 750 000 - completed

2014 - Research Bursary: BMFMS. To support Stillbirth study with University of Sunderland - £1 000 - completed

2012 - Co-applicant (Lead: Prof Khaled Ismail, Birmingham).
The Health Foundation - SHINE 2012.
MedaPhor® Assessment in Specialist Training and its Economic Recompense Study (MASTERS): Use of virtual reality simulation for transvaginal ultrasound scan training - £75 000 - completed

[Baby Lifeline & Merck Charitable Foundation \(USA\) grant](#)

2018 - Educational grant - "Saving Babies' Lives in the North East of England" - USD100,000 to train 600 maternity professionals in skills training. Co-applicant.

[Department of Health - The Maternity and Neonatal Safety Innovation Fund 2016-17](#)

2016/17 - to assess feasibility of linking the 'CAPL' maternity app to two hospital information systems - awarded £10,000 for 3 month feasibility pilot during 2017/18 - ongoing

[Health Education England \(HEE\) - Maternity Safety Training Fund](#)

2016/17 - Embedding an obstetric SimMom multidisciplinary training programme across two obstetric units - awarded £100,000 to fund SimMom Hi-Fidelity training with x8 courses during 2017/18

[Baby Lifeline & Merck Charitable Foundation \(USA\) grant](#)

2015 - Development of an obstetric SimMom multidisciplinary training programme - USD 50,000 to fund SimMom Hi-Fidelity training manikin and PROMPT trainer. Course content developed. Pilot courses were run and fully evaluated Oct/Nov 2016. Collaborative training & research project with University of Sunderland - ongoing

[Northeast & North Cumbria AHSN grant](#)

2014 - Evaluation of telehealth monitoring in pregnancy using a multimatrix, multipartner model. (Dr J Rees, Professor Scott Wilkes - co-applicants) - £76 500 - completed

[NHS England Simple Telehealth - Clinical Leadership & Engagement grant](#)

2014 - Collaborative Telehealth project with Veteran's Association, Washington DC - £6 000

[National/Regional awards](#)

November 2018 - Bright Ideas in Healthcare Regional Awards - Innovation Team of the Year - shortlisted Finalist

November 2017 - Bright Ideas in Healthcare Regional Awards - SimMom South of Tyne Collaborative - Maternity Team Training - shortlisted for 'Best Educational Initiative' 2017

January 2015 - Care Quality Commission Report, City Hospitals Sunderland - Telehealth project awarded 'outstanding' rating

October 2014 - E-Health Insider (EHI) National Awards, London. Finalist - 'Best use of IT to support clinical treatment and care' - Messaging Enabled Care Services in Pregnancy.

November 2013 - NHS Innovations North 'Bright Ideas' Awards - finalist. Telehealth home monitoring in pregnancy (PIH and GDM)

November 2011 - Association of Early Pregnancy Units Annual meeting - Dubin 'Early Pregnancy Unit of the Year'

[Other work](#)

Lead for CHS O&G research team; actively recruiting into portfolio trials (2009 - present)

Oversea Editor; Hong Kong Journal of Gynaecology, Obstetrics and Midwifery

Independent Scientific Reviewer - NUTH clinical trials

Peer reviewer (journals - ongoing): BJOG, TOG, EJOG&RB, IJGO, JO&G, Acta Obstet Gynecol Scand, British Journal of Sports Medicine.

1995 - Lead applicant - NHS grant holder & CI for multicentre RCT on oxytocin augmentation - £150 000.

Peer reviewer for NIHR programme grants (2015-)

PUBLICATIONS, ORAL & POSTER RESEARCH PRESENTATIONS (2010-2022) :
